

A LETTER FROM CHINESE CLASS

Dear parents

My name is Yan Wang, the Chinese teacher at GVCSPA. Thank you for choosing GVCSPA and giving me the privilege to meet these lovely students.

2020 is an unusual year. A sudden epidemic has disrupted our original pace of life. These "unusual times" may accompany us for a long time in the future. Meanwhile, the pandemic also triggers us to reflect on how to live faithfully and how we integrate with nature. It is our duty to guide children to be respectful in their lives and also to pay attention to their own health.

In order to help the students go through this extraordinary period, our school leaders and teachers organized many meaningful classroom activities. We are trying to make our classes more interesting and create a relaxed studying experience for our students. Chinese class is one of these classes.

As a Chinese language teacher, my goal is to help my students understand Chinese and introduce the essence of Chinese culture to them. "Jiaozi (dumpling)" represents the core of Chinese food culture and it is the symbol of Chinese New Year. Last Friday, I organized an activity class to teach students how to make dumplings. By integrating activities with education, we achieved the goal of this class in an enjoyable and academic atmosphere.

At the end, I would wish you and your family good health. May God bless all of us!

SENIOR LEADERSHIP CLASS

Seniors had their second Leadership class on November 11th. Led by Diane Reed, our guidance consultant, students learned about leadership and had discussions about the qualities of Godly leadership. Seniors will have four classes before their graduation to train and encourage them to grow as a leader who can serve ten billion people in the world.

NOVEMBER SPECIAL MORNING WORSHIP

It is already half past the month of November and we are spiritually preparing ourselves for the year of 2021 on our knees! The Special Morning Prayer started November 1st. Pastor Moses Moon has already shared the 7 miracles of Jesus in the Gospel of John and he is currently sharing with us through the 7 "I AM's" in our special morning prayer. By learning about Jesus Christ, students are intellectually learning more about our God and through prayer times, which comes after the hearing of God's words, they are personally responding to God.

Everyday, we have a group of people singing a special song each worship. They have brightened our worship with their praises and we're sure that the other groups who have yet to do their special songs will do their best as well.

Please Keep our students in your prayers to become leaders that will lead 10 billion people in this world!

LET'S FIGHT THE FLU!

On November 3rd, students got the Flu shots requested by their parents. The shots were given under COVID-19 safety regulations.

GIVE THANKS

This month our school is focusing on giving thanks. We have been encouraged and challenged in our Monday morning meetings to have a heart of thanksgiving. There are so many things for which to be thankful: God's love for us; His blessing and care in these challenging days; the beauty of His creation; our health; our families; our school; our friends; our teachers; our cafeteria staff; and so much more.

*"Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ His Son.*

*And now let the weak say I am strong
Let the poor say I am rich
Because of the Lord has done for us."*
